To: All Shareholders

Date: August 27, 2018

Re: Playground Resurfacing

After a long delay, the playground contractor, Playground Medics Inc., are now able to accommodate High Meadow. They are removing and replacing the old surfacing of the playground areas at the rear of 180 Charter Circle and 140 Charter Circle.

Weather permitting, on Thursday, August 30, 2018; they will start blowing the mulching material into the playground. Work of this nature will no doubt generate dust and debris. We advise all residents that reside near the playgrounds to keep all windows closed.

The contractor will make his best effort to protect the shareholders, their families and guests while work is underway. However, we ask that you exercise extreme caution near active work sites. Avoid the work areas whenever possible. Please do not distract the workers as this may accidentally put you and them in a dangerous situation. Refer all safety questions to our Grounds and Maintenance Dept. at 941-6208 or our managing agent, Charles Munnial at 813-1945.

We apologize for any inconvenience that this may cause and thank you for your cooperation.

Joe Giampietro

Facilities Manager
High Meadow Cooperative
