Re: All Shareholders Parked in lot "D" (South Highland Ave.)

Please be advised that Savatree is scheduled to prune the arborvitae hedge along South Highland Ave. Weather permitting; the pruning will take place on **Tuesday, November 13, through Wednesday November 14, 2018.**

All residents parked in Lot (D) on S.H. Avenue must remove your vehicle from your spot by 8:00 AM each morning until the pruning is complete.

While Savatree will make their best attempt to protect the shareholders, we ask that you please use extreme caution when walking or driving near active tree pruning areas. Avoid the work areas whenever possible. Please do not distract the workers as this may accidentally put you and them in a dangerous situation.

Refer all safety questions to our Grounds and Maintenance Dept. at 941-6208 or our managing agent, Charles Munnial at 813-1945.

In the event of inclement weather and or unforeseen circumstances, scheduled pruning will be performed on the next business day.

Thank You

Joe Giampietro
