Re: Gutter Cleaning

Please be advised that on Tuesday, June 4, 2019 Abruzzi Landscaping will be cleaning the gutters throughout the property.

To ensure that no debris or water enters your unit, please close all windows on the upper levels where possible. More importantly, please use caution when entering and exiting your unit.

In the event of inclement weather, the gutter cleaning will be performed on the next business day.

We thank you for your cooperation

Joe Giampietro

Facilities Manager
