

# HIGH MEADOW COOPERATIVE

## SPECIAL NOTICE

**To: All Residents**

**Date: April 13th, 2020**

**Re: Landscaping**

Dear Shareholders and Families,

Please be advised that on Thursday, April 16th Freddy's Landscaping will be onsite doing regular lawn maintenance (rain date: Friday, April 17th). This work will be limited to regular maintenance required to be compliant with town ordinances and to maintain pest control. Leaf blowers, lawn mowers and other equipment will be used as normal. We have read the government guidelines on the use of such machinery and have been advised that this practice is safe, however shareholders with concerns should keep windows and doors closed during yard work. As always but especially now, please refrain from approaching members of the landscaping crew. Any questions or concerns should be addressed in writing to the Board of Directors and Stillman Management.

Thank you for your attention to this and for your help in keeping residents, contractors and visitors to our property healthy and safe.

Your Board of Directors
