Re: Landscaping Services

On Monday, April 19, 2021, Brightview landscaping will be applying pre-emergent weed control throughout the property.

All applications performed by the landscapers are in compliance with regulations as outlined by the Department of Environmental Conservation and the Environmental Protection Agency.

As a precautionary measure, we ask that you please remove any personal items that may be in contact with the lawn areas, etc., prior to the treatment date and observe any signs that may be posted.

In the event of inclement weather, scheduled treatments will be performed on the next business day.

Thank you

Joe Giampietro
