Date: June 11, 2021

Re: Lawn Care

Please be advised that SavAtree is scheduled to perform Plant Health Care (PHC) treatments on the date listed below.

All work performed by the PHC specialists is in compliance with regulations as outlined by the Department of Environmental Conservation (DEC) and Environmental Protection Agency (EPA).

Although there are only a few areas that are in need of this treatment, we recommend that you remove or cover any personal items on the lawn area where possible.

Treatment

Date

Grub Treatment

June 15, 2021

Note: In the event of inclement weather or unforeseen circumstances, scheduled treatments will be performed on the following Friday.

Thank You

Joe Giampietro

Facilities Manager
