Re: Gutter Cleaning

Please be advised that on Tuesday, June 8 through Wednesday June 9th, Westchester Gutter Cleaning will be on site to clean the gutters throughout the property.

To ensure that no debris or water enters your unit, please close all windows on the upper levels where possible. More importantly, please use caution when entering and exiting your unit.

In the event of inclement weather or unforeseen circumstances, you will be notified of an alternate date.

We thank you for your cooperation

Joe Giampietro

Facilities Manager
