Re: Tree Care

Please be advised that SavAtree is scheduled to perform Plant Health Care (PHC) treatments on the date listed below.

All work performed by our PHC specialists is in compliance with regulations as outlined by the Department of Environmental Conservation (DEC) and Environmental Protection Agency (EPA).

As a precautionary measure, we recommend that you remove or cover all personal items on the landscape, move vehicles out to the street and, close windows prior to the scheduled treatment date.

Treatment

Date

Arbor Scout 4

June 8, 2021

Arbor Scout 5

June 29, 2021

Note: In the event of inclement weather or unforeseen circumstances, scheduled treatments will be performed on the following Friday.

Thank You

Joe Giampietro

Facilities Manager
