**Re:** Landscaping Services

On Friday, June 11, 2021, Brightview landscaping will be applying pre-emergent weed and feed throughout the property.

All applications performed by the landscapers are in compliance with regulations as outlined by the Department of Environmental Conservation and the Environmental Protection Agency.

As a precautionary measure, we ask that you please remove any personal items that may be in contact with the lawn areas, etc., prior to the service date and observe any signs that may be posted.

In the event of inclement weather, scheduled treatments will be performed on Monday, June 14.
