Re: Boiler Coil Rescheduled

We were informed late last evening that the company replacing the boiler coil had to re-schedule due to an emergency. We were just advised that this will now take place on Monday.

With that, please note that on **Monday, October 25, 2021**, the heat and hot water will be turned off from **6:00 AM to approximately 3:00 PM.**

As the water supply is restored, you may experience discolored water resulting from the disturbance of mineral deposits in the water lines. This is a common occurrence and will subside as the water is used.

We apologize for any inconvenience that this may cause and thank you for your patience and cooperation.

Thank You

Joe Giampietro

Facilities Manager
