Re: Landscaping Services

On Wednesday, October 13, 2021, Brightview landscaping will be applying pre-emergent weed and feed throughout the property.

As a precautionary measure, we ask that you please remove any personal items that may be in contact with the lawn areas, etc., before the service date and observe any signs that may be posted.

In the event of inclement weather, scheduled treatments will be performed on Thursday, October, 14.

Thank you
