

Special Notice

Date: October 29, 2021

To: All Residents Parked in Lot **D** (South Highland Ave)

From: Stillman Management - Jenna Guiliano, Property Manager

Re: Parking Lot Milling, Paving and Striping (**Phase 2**)

As mentioned in the previous notice, parking lot **D** is scheduled to be milled on **Monday, November 1, 2021**.

Please be sure your vehicle is removed from the lot **by 8:00 AM Any vehicle remaining in the parking lot will be towed at the resident's expense.**

Parking in the lots being worked on will not be permitted for at least 48 hours, **provided, there is no rain predicted in the forecast.** Rain will cause delays.

You may re-enter the lot when the barricades are removed from the entrance.

The village of Ossining Police Department has been notified and will be permitting residents whose lot is being worked on to park on the street overnight. If a resident should get a ticket for parking on the street, please email a copy of that ticket to jguiliano@stillmanmanagement.com who will forward it to the police department for dismissal, AS LONG as your lot is being worked on the date the ticket was issued.
