Re: Tree Spraying

Please be advised that SavAtree is scheduled to perform Plant Health Care (PHC) treatments on the date listed below.

All work performed by Savatree complies with regulations as outlined by the Department of Environmental Conservation (DEC) and Environmental Protection Agency (EPA).

As a precautionary measure, we recommend that you remove or cover all personal items on the landscape, move vehicles out to the street, and close windows before the scheduled treatment date.

To avoid overspray on your car, all vehicles in parking lot "D" (South Highland Ave), must be removed by 8:00 am on the scheduled treatment dates below. The cooperative nor Savatree will not be responsible for vehicles left in the parking lot.

When the spray application is completed, you may return your vehicle to your parking area.
