Special Notice

To: All Residents

Date: August 8, 2022

Re: Tree Spraying

Please be advised that SavAtree is scheduled to perform Plant Health Care (PHC) treatments on the date listed below.

As a precautionary measure, we recommend that you remove or cover all personal items on the landscape, **move vehicles out to the street**, and close windows before the scheduled treatment date.

To avoid overspray on your car, all vehicles in parking lot "D" (South Highland Ave), must be removed by 8:00 am on the scheduled treatment dates below. The cooperative nor Savatree will not be responsible for overspray on vehicles remaining in the parking lots.

When the spray application is completed, you may return your vehicle to your parking area.

If you should have any questions concerning the Plant Health Care Program or would like to receive further information on the products or ingredients used, please call Sav A Tree at (914) 402-4521.

Treatment

Date

Arbor Patrol Scout 5

Weds, August 10, 2022

Note: In the event of inclement weather or unforeseen circumstances, scheduled treatments will be performed on the Friday of the same week. If Inclement weather persists, we will send out another notification.

Thank You

Joe Giampietro

Facilities Manager
