## **Special Notice**

**To:** All residents

**Date:** June 22, 2023

**Re:** New garbage dumpster by the white shed located at the rear of 165 Charter Circle - Parking Lot I

Please be advised that a large green dumpster for **regular household trash** by the bulk garbage shed has replaced the three individual garbage dumpsters that were in place previously.

In an attempt to avoid confusion, the large newspaper/cardboard dumpster is now blue and marked accordingly.

We also will be adding one additional red recyclable dumpster in an attempt to eliminate the overflow of refuse in this specific area.

Under no circumstance should bulk garbage, e.g. furniture, appliances, etc. go into any dumpster.

**Red dumpster for recyclables, green for garbage, and blue for paper/cardboard**

Thank you for your cooperation
