**Re:** Landscaping Services

---

Please be advised that on Monday, April 29, 2024, Ultimate Care Landscaping will be treating the lawn areas for weeds throughout the property.

The treatment that took place on April 15th was a pre-emergent /fertilizer application.

Once again, as a precautionary measure, we ask that you please remove any personal items that may be in contact with the lawn areas before the service date and observe any signs that may be posted for a period of 24hrs.

In the event of inclement weather or unforeseen circumstances, services will take place on Tuesday, April 30th.

Thank you for your cooperation
