Re: High Meadow Email Change and Upcoming Opportunities

---

The High Meadow Board convened its monthly meeting on 4/16/2024, marking a successful start to our governance journey! A heartfelt thank you to all shareholders who attended the open session; your participation was truly valued.

In ongoing efforts to enhance communication effectiveness, we're implementing a couple of changes. Stay tuned as we unveil exciting opportunities for increased shareholder engagement.

As part of these efforts, we've introduced a new email channel - - [highmeadowcooperative@gmail.com](mailto:highmeadowcooperative@gmail.com) - - dedicated to addressing your questions, suggestions, and comments. Accessible to all shareholders starting today, you can conveniently reach us through the website's "General Question" link or by emailing the account directly. Please note that this account replaces [hmmaintslip@gmail.com](mailto:hmmaintslip@gmail.com) which will be exclusively used for maintenance requests moving forward.

We're currently engaged in research and planning to enhance our website, transitioning from our current platform to a new and improved version. While our current website has served us admirably, it's time to embrace the advancements of 2024!

Stay tuned for exciting updates! You can expect to receive flyers soon regarding opportunities to suggest a new name for the "ballfield" and volunteer for the committee tasked with reviewing our Rules and Regulations and By-Laws. Keep an eye out for further details!

Thank you!

Board of Directors
