Re: High Meadow Email Change and Upcoming Opportunities

---

Dear High Meadow Residents,

The High Meadow Board of Directors is looking for enthusiastic volunteers to take over the publication of our beloved High Meadow Newsletter. This newsletter plays a crucial role in keeping our community informed and connected, featuring announcements, community events, seasonal reminders, and more. We're always open to new ideas and content, so your creativity is welcome! If you enjoy writing and want to get involved in the community, please email [highmeadowcooperative@gmail.com](mailto:highmeadowcooperative@gmail.com) by June 12, 2024.

Without a new Newsletter Committee, this vital tradition will come to an end. Thank you for your support in keeping this important communication channel alive.

Best regards,

The High Meadow Board of Directors
