There will be an additional charge, from the credit card company, for using a credit card which will be supplied at the time of payment.

The directions for establishing an online payment account will be provided. Please note that when you are prompted to enter your name and account number you must type in exactly how it appears on you monthly statement.

Please keep in mind that monthly payments are due on the first of the month, with a grace period until the 15th of the month.
