SUBJECT: Laundry Rooms Renovations

Dear Residents,

We are pleased to announce that renovations will soon begin in the laundry rooms of Buildings 3, 8, and 12 at High Meadow. This project is part of our ongoing commitment to improving the quality of our facilities and enhancing your living experience.

Please note that the renovation process will involve the removal of the laundry machines. We kindly ask that you make alternative arrangements for your laundry needs during this time. The following laundry rooms will be available for your use:

- **Building 18, under 112cc**
- **Building 20, under 101cc**
- **Building 16, under 144c**

Renovations are scheduled to begin on Wednesday, November 13, 2024, at 9 AM and are expected to last approximately one week. We assure you that this temporary inconvenience is a necessary step towards providing better laundry facilities for everyone. Additionally, residents of Buildings 8 and 12 will not have access to the storage rooms during the renovation period.

We greatly appreciate your understanding and cooperation as we work to improve our community facilities. Your support is invaluable to us.

Thank you,
High Meadow Management/Board of Directors
